moving in a positive direction forward with the French Quarter Economic Development District Cooperative Endeavor Agreement with the City but was not quite to the goal line yet.

5. Discussion by Committee of the French Quarter Economic Development District Cooperative Endeavor Agreement
FQMD received a revised Cooperative Endeavor Agreement from the City Attorney on July 14th, an attorney-client privileged memo reviewing that agreement from FQMD's attorney, and a redline of the agreement from the City Council's Executive Counsel. Ms. Cavett reviewed her recommendations for additional revisions and the committee heard comments from the attendees about specific and recommendations for revisions. The committee discussed these recommendations, the memo, the redline, Josh Cox's term sheet from the May 17th meeting with the Mayor, and supporting FQMD's attorney continuing negotiations with the City Attorney.
6. Update on French Quarter Economic Development District Trust Fund
Ms. Frankic reported that since the July Board of Commissioners meeting, she had corresponded with Eric Smith, City CAO Analyst for the French Quarter Improvement Fund, and primary contact for the French Quarter Economic Development District Trust Fund. The committee received the materials he had provided and reviewed the cumulative data as of 7.4.21 spreadsheet. Ms. Frankic noted that the \$327,000 Mr. Cox reported as the balance in the Trust Fund on February 21st was from the 2020 year end balance and these was another \$147,000 in 2020 remittances received, for a total of approximately \$474,000 fund balance of 2020 FQEDD sales taxes remittance after paying out the Louisiana Stat Police. The City had spent about \$164,000 leaving an approximate balance of \$310,000, minus outstanding liabilities and unpaid invoices. Mr. Smith had committed to requesting balance sheets and Income & Expenses reports month to month from January through June. Ms. Frankic reported that she had a conversation with the Attorney General's office on the guidance for erroneously collected taxes: The tax dollars should be remitted to the EDD, segregated for a three-year prescriptive period, redeemed to any taxpayer who can prove payment of the erroneously collected tax, and after three years the taxes can be spent by the EDD for the purpose of the original referendum for which they were levied.
7. New Business
Ms. Cavett made a motion to recommend to the board to request that Councilmember Palmer call a meeting of the French Quarter Economic Development District to levy the special sales tax at the earliest possible date. The motion was not seconded.
8. Next Meeting Date: 22 September 2021
The next scheduled meeting will be on Wednesday, September 22nd at 2:00 pm.
9. Adjournment
Mr. Zumbo moved to adjourn the meeting. Ms. Mulla McGovern seconded the motion, and the meeting was adjourned at 3:55 pm.

Commented [APW2]: Adam and Karley/Sharonda, Will this be FQEDD Resolution R-2021-4 or will FQEDD Resolution R-2021-5 because the meeting was cancelled on June 30th? APW.

Commented [APW3]: Adam and Karley/Sharonda, It is my understanding that the order should be as follows: the sales tax, as levied by FQEDD Resolution, as authorized by Resolution R-2021-3, and as approved via election. Please let me know if this is not consistent with your reading/understanding. APW.

Commented [APW4]: Adam and Karley/Sharonda, The language in Resolution R-2021-3, authorized the levy of the tax, correct? APW.

Commented [s5]: This budget language follows the term sheet language referenced in my note above. This should be how the annual budget flows. Replace language in 5. To this language. It's simple and concise.

Commented [s6]: Homeless assistance services is not part of the SPPP, per se. It is a program after the \$2 million spent on post-certified officers. There are areas in this agreement that homeless assistance is being lumped into the SPPP – need to review the entire contract and remove.

ARTICLE II - THE FQMD'S OBLIGATIONS

A. Services. The FQMD will:

1. ~~Retain-Receive~~ an administrative fee not to exceed 7% of Monthly Collections remitted to the FQEDD Trust Fund (capped at \$150,000 annually) to cover all necessary and reasonable expenses incurred as a direct result of the performance of the FQMD's obligations under this Agreement (the "**Administrative Fee**") ~~during the preceding month~~, provided, however, that the Administrative Fee shall not include administrative expenses incurred as general operating expenses of the FQMD nor costs associated with administering any other FQMD projects, programs, missions, or funds.

2. Each month following the Effective Date, and in any event upon the request of the FQEDD, present the FQEDD with an itemized invoice in order that the FQEDD may review and approve the Administrative Fee. The ~~itemized~~ invoice shall be provided ~~by the FQMD~~ as a communication to the Clerk of Council and shall appear as a communication on the Consent Agenda of the next regular City Council meeting. ~~The FQMD acknowledges and agrees that a~~ Any member of the FQEDD shall have 14 days from the adoption of the Consent Agenda to notify the FQMD and the City in writing that he or she intends to convene a meeting of the FQEDD for the purpose of adopting a resolution disallowing all or part of the Administrative Fee on the grounds that expenses reflected on the invoice are not necessary and reasonable expenses incurred as a direct result of the performance of the FQMD's obligations under this Agreement. The notice shall identify with reasonable particularity the expenses that are objectionable and set forth the reasons for disallowing them. A meeting convened under this Section shall occur no earlier than 14 days and no later than 28 days following notice to FQMD. At that meeting, FQMD shall be permitted a reasonable opportunity to justify the Administrative Fee. If the FQEDD finds that all or any portion of the Administrative Fee reflected on the invoice was not a necessary and reasonable expense incurred as a direct result of the performance of the FQMD's obligations under this Agreement, it shall be pass a resolution disallowing those expenses, in which case the FQMD shall promptly reimburse any disallowed expenses ~~already paid to the FQMD~~ to the Trust Fund. Any invoice, or portion thereof, not disallowed in accordance with this Section shall be deemed approved and payable.

~~3. Register as a vendor in the City's supplier portal ("BRASS") and upload each itemized invoice electronically into BRASS on the same day that itemized invoice is provided to the Clerk of Council.~~

~~4.3.~~ Each month following the Effective Date, provide a report to both the City and the FQEDD, detailing ~~the integral connexity between~~ itemized expenses ~~and the specific~~

Commented [AJS7]: Not sure that the phrase "during the preceding month" makes sense in this context. The defined term "Monthly Collection" already gets you there.

Commented [APW8]: Adam and Karley/Sharonda, the main point here is that CNO anticipates that **not before the last day of each month, the FQMD will submit the invoice electronically to the City through BRASS for work performed during that month**, and the City will have 45 days from submission and receipt to process payment.

It is my understanding that once the tax becomes effective on October 1, 2021, the City will collect on November 20, 2021. For this reason, we believe that 45 days (as opposed to 30) is reasonable (see proposed language in Article IV Section (A)(12) below. APW.

Commented [AJS9]: My intent here is to make a procedure that more closely aligns with the manner in which the Council conducts its affairs and to avoid requiring a monthly convening of the FQEDD. Rather than require affirmative approval each month, I think it makes for sense approval to be automatic absent disallowance.

Because the invoice will be submitted as a communication on the consent agenda (not to mention that it will be uploaded to BRASS), the administration can readily review the invoices. Should it see an issue, it can contact any councilmember urge the convening of a meeting.

Also, I am a little confused about how this works. In this section, it sounds like FQMD collects and retains its fee. Hence the requirement to reimburse the Trust Fund if the fee is disallowed. Later in the agreement, it sounds like the City collects and then remits the Admin Fee when the invoice is approved. Given that Revenue collects, the latter sounds more correct. If so, what is the reason for the obligation to reimburse?

Commented [APW10R9]: Adam, I appreciate your work on this section. I think we are almost to the finish line with your edits.

Adam and Karley/Sharonda, Please see the few minor suggestions that I added for clarity. APW.

Commented [s11R9]: I feel this language is excessive even though it aligns with the Council processes. I would delete.

Commented [s12]: I don't think FQMD should have to register as a vendor in BRASS. FQMD is not a City vendor and is not providing a service to the City. On the contrary, the City is providing a service to FQMD pursuant to this Agreement.

~~purposes listed in the Proposition~~, including (1) POST Certified supplemental police patrols and (2) additional patrols and public safety program (including homeless assistance).

5.4. Agree and acknowledge that the tax proceeds can be used to pay a portion of an employee's salary associated with administering the tax using an allocation method that would ensure only the portion of the employee's time spent directly on administrative work for the Trust Fund would be billed out of the Trust Fund.

~~6. Within fifteen (15) days of the FQMD producing each itemized invoice and report, the City or the FQEDD may reasonably contest the expenditure(s) by providing the FQMD with written notice regarding any alleged unauthorized administrative fees requested by the FQMD. Within fifteen (15) days of receiving notice from the City or the FQEDD, the FQMD may provide written justification to the FQEDD regarding the FQMD's administrative fees and the City's or the FQEDD's assertions, and the FQEDD will make a final decision as to whether the proceeds of the Designated Sales Tax were properly applied. If the FQEDD finds that any portion of the administrative fee retained by the FQMD was not a reasonable and necessary expense of administering the tax, the FQMD will be responsible for reimbursing the funds to the Trust Fund reasonably promptly, but in no event later than thirty (30) days after the FQEDD's finding.~~

7. Agree and acknowledge that any litigation expenses or attorney's fees to defend the integrity of the FQMD's administrative fee shall be the sole responsibility of the FQMD and shall not be payable from the Trust Fund.

8. Provide fiscal and operational oversight of the Trust Fund and related services provided by the Trust Fund to ensure that the proceeds of the Designated Sales Tax are being used strictly in accordance with the Proposition, which are subject to quarterly budget and expenditure reports to the City Council.

9. Convene public hearings on the Trust Fund-funded programs and operations at Board meetings from time to time according to the annual board meeting calendar in accordance with La RS 42:19.A.1.a.

10. Through its Finance and Development Committee, its Security and Enforcement Committee, and its Board of Commissioners, coordinate with the City on the creation of Annual Budget for the SPPP and any other programs or operations funded with the Trust Fund.

11. Furnish any documents, certificates, reports or agreements requested by the City or the FQEDD.

12. Ensure that the Executive Director of the FQMD (or the Executive Director's designee) meets monthly with the other Agreement Monitors to discuss performance of the services provided by the Trust Fund and City services within the District.

13. Establish Key Performance Indices ("KPI") in collaboration with the City and the FQEDD.

14. Set KPIs on an annual basis upon the mutual agreement of all the Parties, whose consent shall not be unreasonably withheld, conditioned, or delayed.

15. Endeavor to set KPIs for the first Calendar Year by reasonably promptly as of July 1, 2024 the Target Date.

16. Review the KPIs at each monthly meeting.

Commented [AJS13]: I'm a little confused about this requirement and what integral connexity means. FQMD is already required under section II(A)(2) to submit invoices justifying its admin fee. With respect to the remaining monies in the trust fund, it must also provide quarterly and annual reporting under Section II(A)(8). What do we think that this report will do that is not already contemplated in the foregoing reporting requirements?

My suggestion would be to delete, as this reporting requirement is subsumed within other elements of this CEA. (To that end, I've added some language in II(A)(8) that clarifies FQMD's duty to use monies in accordance with the proposition. Failing that, we should rewrite for clarity so that it is clear what we are looking for.

Commented [APW14R13]:

Adam and Karley/Sharonda, the City believes that a brief description justifying how the funds are reasonable and necessary to the administration of the trust fund is warranted, whether said description is contained in a separate report or part of the itemized invoice.

"Integral connexity" just comes from one of the many AG Opinions dedicated to this topic (Op. Atty Gen. No. 08-0339 (May 28, 2009).

Because there have been so many AG Opinions issued to determine when it is appropriate for a political subdivisions to retain a fee for collecting or administering a special tax, we believe that a brief report/description justifying how the expenditure was reasonable and necessary to the administration of the tax will protect both the City's and the FQEDD's interest in the event of an audit or a Art 7 Sect 14 challenge. Happy to hear thoughts or suggestions. APW.

Commented [AJS15]: I think this is now handled in Section II(A)(2).

Commented [APW16R15]: Ok. See Article III Section (A)(10) below. APW.

17. Provide written notice to any Party whose services allegedly fail to meet the KPIs for two (2) consecutive months, provided, however, that said Party will have thirty (30) additional days to cure and make any necessary adjustments to the services in order to ensure that the KPIs are satisfied.

18. Agree and acknowledge that the FQEDD may intervene relative to the KPIs, as set forth in Article III Section 6 hereinunder.

19. Ensure that FQMD's Agreement Monitors, or designees, discuss the progress the Parties are making towards the attainment of the goals set forth in the Recitals of this Agreement, the public's perception of the effectiveness of the SPPP, and alternative approaches that should be considered in order to better achieve the Agreement's goals during each monthly meeting.

20. Report to the FQEDD and City any complaints or concerns relative to the any acts or omission related to the obligations of the Parties.

22. Gather information from businesses, service workers, and residents as to their perception of the performance, effectiveness, and attendance of the SPPP Officers, the impact of the SPPP, and the impact of all other FQEDD funded programs and operations on public safety.

23. Provide feedback to Agreement Monitors on the public's perception of the performance, effectiveness, and attendance of the SPPP Officers, the impact of the SPPP, and the impact of all other FQEDD funded programs and operations on public safety.

Commented [KF17]: Karley to Confirm all article and section references

Commented [APW18R17]: Noted. It appears that the article and section referenced is Article III Section 6.

6. In accordance with Article II Section 175-186, if the KPIs are still not satisfied after the subsequent thirty (30) day cure period (i.e., 2 months plus 30 days), the FQEDD may intervene and provide written notice to the Party whose services allegedly failed to meet the KPIs. The FQEDD will request a meeting at a time that is mutually agreed upon by the Parties, whose consent shall not be unreasonably withheld, conditioned or delayed, and the meeting shall occur no later than fifteen (15) days from the Parties' receipt of the written notice. If the KPIs are not cured and the necessary adjustment to the SPPP are not made through such meeting, the Parties shall retain all rights and remedies in law or in equity.

7. If it is determined that for any period of time that a shortage or overage exists in the amount collected and transferred, for whatever reason, the City and the FQEDD shall direct an adjustment in the Monthly Collections paid into the Trust Fund in order that the shortfall or over-collection of revenues due to the FQEDD Trust Fund for any prior period is eliminated as soon as practicable and in any event no more than ninety (90) days subsequent to the recalculation giving rise to the need for the adjustment, ~~provided that the City and the FQEDD shall not be obligated to use any funds for adjustments other than from Net Revenues of the Designated Sales Tax.~~

8. Permit the FQMD to retain an administrative fee not to exceed 7% of the Monthly Collections remitted to the FQEDD Trust Fund (capped at \$150,000 annually) for reasonable and necessary expenses incurred as a direct result of the performance of the FQMD's obligations under this Agreement ~~during the preceding month, provided, provided, however, that the Administrative Fee shall not include administrative expenses incurred as general operating expenses of the FQMD nor costs associated with administering any other FQMD projects, programs, missions, or funds, however, that any administrative expenses incurred as general operating expenses of the FQMD cannot be paid out of dedicated sales and use tax funds.~~

9. Furnish to the City a list of all businesses located within the District when requested by the City.

10. After the FQMD provides its itemized invoice as a communication to the Clerk of Council for the Consent Agenda of the next regular City Council meeting and within 14 days from the adoption of the City Council's Consent Agenda, notify the FQMD and the City in writing that he or she intends to convene a meeting of the FQEDD for the purpose of adopting a resolution disallowing all or part of the Administrative Fee on the grounds that expenses reflected on the invoice are not necessary and reasonable expenses incurred as a direct result of the performance of the FQMD's obligations under this Agreement. The notice shall identify with reasonable particularity the expenses that are objectionable and set forth the reasons for disallowing them. A meeting convened under this Section shall occur no earlier than 14 days and no later than 28 days following notice to the FQMD. Within 14 days of the adoption of the Consent Agenda and prior to the FQEDD providing notice to the City and the FQMD, the FQEDD shall confer with the City and request the City's reasonable objections to any line items on the FQMD's itemized invoice, which the FQEDD may then assert in accordance with Section II(A)(2).

ARTICLE IV -THE CITY'S OBLIGATIONS

A. Administration. The City will:

1. Through the Director of Finance for the City (the "Tax Collector"), maintain the Trust Fund as a separate fund, apart from other funds and accounts of the City or other entities,

Commented [KF19]: Sharonda to review

Commented [APW20]: Adam and Karley/Sharonda, Please know that this was changed in order to keep it consistent with Article II Section (A)(1) on p. 6 above. APW.

Commented [APW21]: Adam and Karley/Sharonda, Changed to make consistent with Article II Section A(1). APW.

Commented [APW22]: Adam: Again, I think you did a great job reworking Article II Section (A)(2) on p. 6 above. Because this is also an obligation of the FQEDD, I thought it was appropriate to mirror that provision in Article III – FQEDD's Obligations.

Adam and Karley/Sharonda, Please be advised that the City added the highlighted language, which is not contained in Article II Section (A)(2), to ensure that there is a mechanism in place for the City to raise objections to the FQEDD in the event that the FQMD tries to invoice for expenditures that were not reasonable or necessary to the administration of the special tax (NOTE: the City is amenable to this being a "permissive may" for the FQEDD, as the FQEDD will have the sole discretion to decide whether to introduce a resolution disallowing said expenditure). Please let me know your thoughts. APW.

which shall be used strictly for the purposes authorized in the Resolution and its proposition approved by qualified voters on Saturday, April 24, 2021.

2. Collect, account for, and remit the Designated Sales Tax into the Trust Fund to accomplish a valuable public purpose of enhancing public safety to achieve economic development in accordance with its usual and customary procedures (i.e., in the same manner as all other City sales taxes are collected).

Commented [AJS23]: I believe the exemption remains the subject of ongoing discussion.

Commented [APW24R23]: Understood. Thanks. APW.

3. In collaboration with the FQEDD, cause to be deposited the Monthly Collection into the Trust Fund no later than the last business day of the month following the Month such funds are due. Monthly Collection received in any Month as a result of audits shall be treated as Monthly Collection for such Month for purposes of this Agreement.

4. Ensure that the Designated Sales Tax deposited into the Trust Fund will remain in the Trust Fund and the Trust Fund will serve as the operating account for the Program(s) approved in the Annual Budget.

5. In collaboration with FQMD through the Annual Budget process, dedicate the initial \$2 million collected in any year to supplemental POST Certified police patrols and ensure that any additional revenue is divided between additional patrols and public safety programs (including homeless assistance).

6. Provide, within the Annual Budget of the SPPP, detailed line items for support and supplies that are directly attributable (or have an intrinsic connexity) to the SPPP, such as supplemental POST Certified police patrols, additional patrols, public safety programs (including homeless assistance), vehicles specific to the SPPP (i.e., vehicles that are small, black in color and equipped with blue flashing lights), vehicle maintenance, gasoline, tires, iPads, body worn cameras and mounts, NOPD-approved magnetic decals, smart phone apps or mobile applications that allow citizens, tourists, and business owners to report crimes, as necessary.

Commented [s25]: The SPPP is exclusively for POST Certified officer patrol. This inserts other items into the initial \$2 million i.e. additional patrols (could be grounds patrol), public safety programs (including homeless assistance).

7. Provide both the FQMD and/or the FQEDD any documents deemed reasonably necessary for the FQMD's or FQEDD's performance of any work required under this Agreement.

8. Provide the FQMD with direct on-line 24/7 real-time access to the Trust Fund, showing all deposits, details of all expenses/expenditures, and other reasonably expected information, including but not limited to, budget to actual reports, income and expense reports, and balance sheets.

9. Within ~~fifteen~~ thirty (30) days of the City producing the details of its expenditures, the FQMD may reasonably contest any alleged unauthorized expenditures, which do not align with the Annual Budget or the Resolution, by providing the City and the FQEDD with written notice regarding any alleged unauthorized expenditures by the City. Within fifteen (15) days of receiving the FQMD's notice, the City may provide written justification to the FQEDD regarding the City's expenditure(s) and the FQMD's assertions, and the FQEDD shall serve as the final arbiter. If the FQEDD finds that the expenditure was unauthorized, the City will be responsible for reimbursing the funds to the Trust Fund reasonably promptly, but in no event later than thirty (30) days after the FQEDD's finding.

Commented [APW26]:

Commented [APW27]: Adam and Karley/Sharonda, This appears to have been a typo. If you agree, please feel free to accept and delete comment. Thanks, APW.

10. Provide access to personnel to discuss the required services during normal working hours, as requested by the FQMD or the FQEDD.

11. Agree and acknowledge that the City will use reasonable best efforts to ensure that the SPPP Officers deployed in the District pursuant to this Agreement shall not be a replacement for the number of on-duty NOPD officers deployed to and/or used in the District during the term of this Agreement, and the NOPD shall make a good faith effort to increase the number of on-duty NOPD officers deployed to and/or used in the NOPD 8th District above that the number that was routinely deployed to and/or used as of the Effective Date.

12. ~~Promptly Remit to the FQMD that portion of the Administrative Fee that is deemed approved in accordance with Section II(A)(2) according to the City's invoice and payment policies and procedures, provided, however, that payment will be NET 45 days upon the FQMD's delivery and the City's receipt of the properly submitted, complete, and accurate invoice via the City's supplier portal.~~

13. Present invoices, receipts, and detailed expenditure data to the FQMD on a Monthly basis for the preceding calendar Month, including a detailed report of actual receipts and expenditures of funds disbursed by the Trust Fund and the balance of such funds remaining in the Trust Fund.

14. Use of Net Revenues of the Designated Sales Tax. The City agrees that the Net Revenues of the Designated Sales Tax received from the District will only be disbursed for the purposes of supplementing and enhancing public safety services within the District for the purposes authorized in the Resolution and its proposition.

15. Agree and acknowledge that any litigation expenses or attorney's fees to defend the integrity of the City's collection fee shall be the sole responsibility of the City and shall not be payable from the Trust Fund.

B. Obligations of the City, through the NOPD 8th District SPPP Supervisor ("SPPP Supervisor"). The City, through the SPPP Supervisor, hereby agrees to the following:

1. Deliver the standard crimes and/or violations upon which the SPPP Officer shall focus and the standard instructions for the SPPP Officer patrol duties ("**Post Instructions**") to the NOPD 8th District Commander.

2. Collect and review all trip sheets and time sheets.

3. Use reasonable best efforts to schedule POST Certified officers to work the SPPP.

8. Maintain and implement best practices when deploying SPPP Officers.

9. Develop training specific to officers deployed as part of the SPPP to ensure they

Commented [s28]: Just a note: Is it true that the FQ only has 70 officers right now? This seems like an all-time low, which is problematic for public safety even if the SPPP is fully deployed.

Commented [AJS29]: We've already defined the administrative fee and how it can be used. It is not necessary to restate it in this section. It makes more sense to define the concept when we address it in Article II and simply import the definition here. I've replaced "NET 30" with promptly because I don't really know that it means.

Also, see my earlier comment. This is the section where it looks like the city remits, as opposed to FQMD retaining.

Commented [APW30R29]: Adam and Karley/Sharonda, We are fine with not restating the part about the administrative fee as you suggested.

With the new language that was added, please be advised that when the City implemented BRASS, the City's Procurement Office asked that we update our "payment" and "invoice" provisions, which is where the "NET" language originates.

That said, would the parties be amenable to us extending this out to 45 days given the timing of collections for the reasons stated above? Thanks, APW.

Commented [s31]: Minimum hours of 840 has been removed from this section.

are familiar with all applicable laws, codes, and ordinances specific to the District and able to enforce same.

C. Obligations of the City, through the Superintendent of the NOPD. The City, through the Superintendent of the NOPD, hereby agrees to the following:

4. The police assigned within the boundaries of the District as a part of their normal 8th District and/or NOPD assignments, referred to herein above as Underlying Police Services (excluding SPPP Officers), will handle routine police functions such as responses to service calls,

routine patrols, investigations of complaints, all traffic work, special events coverage, undercover/stakeout work, and any follow-up investigations, including, but not limited to investigations involving vice and homicides. SPPP Officers will not be assigned routine dispatch calls for service in the 8th District, nor shall they be dispatched outside the District, except upon notification and approval by the SPPP Supervisor. The SPPP Supervisor will report on these exceptions at each Agreement Monitor meeting.

5. The dispatch of SPPP Officers for routine calls for service in the 8th District, or the dispatch of officers outside the District, while said officers are on assignment for the SPPP without the approval required in the preceding paragraph, shall be a violation of this Agreement and FQMD reserves all other rights and remedies available under applicable law or equity for any claim it may have against the City for such violation, whether for breach of contract or otherwise. In the event of any such alleged violation, the FQMD shall give written notice to the FQEDD, the CAO and the NOPD Superintendent that an alleged violation has come to its attention, and the City shall have thirty (30) days from receipt of notice to either correct the violation and/or to explain the reason to the FQEDD's satisfaction.

9. On as needed basis, purchase materials, supplies, and small, black vehicles, equipped with blue flashing lights unique and dedicated specifically to the SPPP. The title to these vehicles will be in the name of the City. The Parties agree and acknowledge that expenses that are directly attributable, or which have integral connexity to the SPPP, will be paid for from the Net Revenue of the Designated Sales Tax, including, but not limited to, maintenance and fuel for the vehicles. The City shall furnish those vehicles for the exclusive use in the District. Said vehicles are to be decaled by the City with NOPD insignia. Additionally, said vehicles are to bear SPPP and App insignia. The City will use reasonable best efforts to provide replacement vehicles immediately, during the time that any of the aforesaid vehicles are out of service. The City shall be permitted to allocate funds in the Annual Budget to replace SPPP vehicle(s) upon the expiration of the useful life of said vehicle.

10. Provide for on-duty NOPD officers – not SPPP Officers - to transport persons arrested during the term of the Agreement, including any persons arrested by an overtime NOPD officer, who is part of the SPPP assigned to patrol in the District.

11. Ensure that the arresting NOPD officer, whether on-duty or overtime, remains primarily responsible for providing direct medical support, medical treatment, and booking.

12. Not later than each Tuesday during the term of this Agreement, agree and acknowledge that the SPPP Supervisor, or the SPPP Supervisor's designee (unless otherwise agreed to by all the Parties), will provide records extending from the prior Sunday through Saturday (seven-day period) documenting the daily shifts of the FQEDD funded overtime POST Certified officers in the District.

The FQEDD and FQMD will be notified of any changes in supervising personnel within fourteen (14) days of those changes.

D. Obligations of the City, through the NOPD 8th District Commander. The City, through the NOPD 8th District Commander, hereby agrees to the following:

1. The NOPD 8th District Commander will deliver a complete Patrol Plan for the District to the Agreement Monitors on or before the Effective Date of this Agreement, covering the SPPP Officers, including:

- a. A schedule for the length, time and day of each patrol shift; and

Commented [s32]: With 8th District NOPD officers at an all-time low, the occurrence of an event requiring full time deployment could be often. Need a way to contractually obligate the City/NOPD to fill a minimum # of hours or % of shifts.
**Also need a mechanism for the \$2 million for post-certified officers rolls over into the next year exclusively for the use of post certified officers in the following year, therefore removing the incentive to not perform in the current year.

Hello Cm Palmer + FQMD:

Below is a summary of the terms agreed to in principle at yesterday's meeting. I understand that there are some outstanding terms that require the opinion of counsel for both sides. Those terms are:

- The creation of budgets through collaboration between the City and FQMD and ultimate approval by the FQ EDD
- Surplus Funds - interpreting/negotiating how the ballot language allows for this construct
- Termination for Convenience provision

Once we get confirmation that you are in agreement with what's below, Eric and Austin Wilty from legal will edit the CEA we sent over on 3.29 to reflect these changes and will then be sent for your review. Hopefully, after counsel has gotten a chance to review and opine on the issues above, we can talk through those and any other changes next week to finalize the agreement.

Best,
Josh

Terms agreed to in principle at the 5/17/2021 meeting:

- Presuming proper language can be agreed upon that will comport with the ballot measure, any funds, including those dedicated to POST-certified officer patrols, not expended during any calendar year will be made available to be budgeted for other public safety programs (including homeless assistance) in the following calendar year. The City will make its best efforts to spend \$2M on POST-certified officers in a calendar year.
- The administrative fee will be assessed as 7% of monthly FQEDD sales tax collections and remitted to the FQMD on a monthly basis with a maximum amount of \$150,000 in any calendar year.
- The KPI authors and monitors will be:
 - Designee of the Mayor,
 - The commander of the NOPD 8th District or her designee,
 - The chair of the FQMD,
 - The vice-chair of the FQMD,
 - The City Council representative for District C or her designee,
 - The president of the City Council or her designee.
- Termination - preference is to remove the language for termination for convenience all together, if termination for convenience cannot be removed then it will apply equally to all CEA parties.

- Annual budgets will be authored by the CAO office in close collaboration with the FQMD, its Finance Committee, and its Security and Enforcement Committee (with the CAO office participating in at least one official meeting of each of the aforementioned committees during the budget drafting process). The annual budget will be then presented to the FQMD for approval. In the event the FQMD does not approve the budget it will be returned to the CAO office with suggested revisions. After the annual budget has received FQMD board approval it will be submitted to the full FQEDD for final approval. The CAO will present a budget to the FQMD no later than October 15 each calendar year.
- The selection of the supervising Sergeant(s) over the anticipated programs will be at the sole discretion of NOPD. FQMD will be notified of any changes in supervising personnel within 14 days of those changes.
- FQMD will be provided with direct access to the FQEDD Trust Fund account showing all deposits, details of all expenses, and other reasonably expected information. Additionally, because of this access, the need for the reimbursement of invoices is null.
- Funds deposited into the FQEDD Trust Fund will remain in the FQEDD Trust Fund and the fund will serve as the operating account for all anticipated programs agreed to within the CEA.

ARTICLE I – DEFINITIONS Section A. Definitions.

24. “Term” shall mean the term of this Agreement commencing on the Effective Date and continuing until (i) all the obligations have been performed, or discharged as described herein, or (ii) June 30, 2026, whichever comes first.

This defined term is never used. Moreover, the term of the agreement is defined adequately in Article VI(A). See my comments thereto.

ARTICLE II - THE FQMD'S OBLIGATIONS Section A. Services.

2. Each month following the Effective Date, and in any event upon the request of the FQEDD, present the FQEDD with an itemized invoice ~~that provides sufficient detail to enable the FQEDD to reasonably assess whether the Administrative Fee constitutes a valid and lawful use of the Designated Sales Tax, as required by the Proposition. in order that the FQEDD may review and approve the Administrative Fee.~~ The itemized invoice shall be provided by the FQMD as a communication to the Clerk of Council and shall appear as a communication on the Consent Agenda of the next regular City Council meeting. The FQMD acknowledges and agrees that any member of the FQEDD shall have 14 days from the adoption of the Consent Agenda to notify the FQMD and the City in writing that he or she intends to convene a meeting of the FQEDD for the purpose of adopting a resolution disallowing all or part of the Administrative Fee on the grounds that expenses reflected on the invoice are not necessary and reasonable expenses incurred as a direct result of the performance of the FQMD's obligations under this Agreement. The notice shall identify with reasonable particularity the expenses that are objectionable and set forth the reasons for disallowing them. A meeting convened under this Section shall occur no earlier than 14 days and no later than 28 days following notice to FQMD. At that meeting, FQMD shall be permitted a reasonable opportunity to justify the Administrative Fee. If the FQEDD finds that all or any portion of the Administrative Fee reflected on the invoice was not a necessary and reasonable expense incurred as a direct result of the performance of the FQMD's obligations under this Agreement, it shall be pass a resolution disallowing those expenses, in which case the FQMD shall promptly reimburse any disallowed expenses already paid to the FQMD to the Trust Fund. Any invoice, or portion thereof, not disallowed in accordance with this Section shall be deemed approved and payable.
- ~~4. Each month following the Effective Date, provide a report to both the City and the FQEDD, detailing the integral connexity between itemized expenses and the specific purposes listed in the Proposition, including (1) POST Certified supplemental police patrols and (2) additional patrols and public safety program (including homeless assistance).~~

ARTICLE III – FQEDD'S OBLIGATIONS Section A. Services

~~**10.** After the FQMD provides its itemized invoice as a communication to the Clerk of Council for the Consent Agenda of the next regular City Council meeting and within 14 days from the adoption of the City Council's Consent Agenda, notify the FQMD and the City in writing that he or she intends to convene a meeting of the FQEDD for the purpose of adopting a resolution disallowing all or part of the Administrative Fee on the grounds that expenses reflected on the invoice are not necessary and reasonable expenses incurred as a direct result of the performance of the FQMD's obligations under this Agreement. The notice shall identify with reasonable particularity the expenses that are objectionable and set forth the reasons for disallowing them. A meeting convened under this Section shall occur no earlier than 14 days and no later than 28 days following notice to the FQMD. Within 14 days of the adoption of the Consent Agenda and prior to the FQEDD providing notice to the~~

~~City and the FQMD, the FQEDD shall confer with the City and request the City's reasonable objections to any line items on the FQMD's itemized invoice, which the FQEDD may then assert in accordance with Section II(A)(2).~~ Periodically review and approve or disapprove the Administrative Fee in accordance with Article II(A)(2).

This section seems a bit repetitive (and the "he or she" used herein has no antecedent. In Article II(A)(2) it refers to district members. Here, it is confusing.)

As to the final sentence, I also think it is a bit awkward to ask the FQEDD to confer monthly with the City and to request reasonable objections from the City. The FQEDD meets and acts only on an ad hoc basis, not monthly. As a practical matter, I am not clear how the Board can confer without violating the Open Meetings Law.

Article II(A)(2) was structured intentionally to provide that any district member can request a meeting to contest all or part of the administrative fee. This will enable the administration to contact one or more councilmembers of its choosing to discuss the adequacy of the fee and to prevail upon that member to call a meeting. As a practical reality, this feature of the Agreement gives the City ample opportunity (7 opportunities) to confer with a councilmember and get the issue of the fee on the agenda of a public meeting.

Once this contract gets rolling, I anticipate that the parties will get comfortable with how the fees are being assessed and what types of fees are acceptable. Once that happens, requiring a monthly request for objections from the FQEDD to the City will be unnecessary.

ARTICLE VI - DURATION AND TERMINATION

Section A. Term. The term of this Agreement shall extend from the Effective Date until ~~(i) all the obligations have been performed, or discharged as described herein, or (ii) June 30, 2026, whichever comes first.~~ such time as the entirety of the Designated Sales Tax has been collected and the proceeds thereof budgeted and spent in accordance with the provisions of this Agreement.

Upon further reflection, I have some concerns about this provision.

The central purpose of this agreement is to collect and spend a tax that is levied through June 30, 2026. Accordingly, there cannot be a situation in which (i) would occur earlier than item (ii). Assuming the agreement ends on June 30 (which it will, by definition) what happens (a) to the amount collected by retailers in the month of June but not yet collected by the department of revenue? and (b) to the unspent balance of the Designated Sales Tax in the Trust Fund on June 30?

I think we need to rework the term to provide for collection of the full amount of the levied tax and to make sure that the proceeds collected but unspent are used in a manner consistent with the Agreement.

Section B. Termination for Cause. Any Party may terminate this Agreement immediately for cause by sending written notice to the other Parties. "Cause" includes without limitation any failure to perform any obligation or abide by any condition of this Agreement or the failure of any representation or warranty in this Agreement, including without limitation any failure to comply with the requirements of the City's Disadvantaged Business Enterprise program and any failure to comply with any provision of City Code § 2-1120 or requests of the Office of Inspector General. If a termination for cause is subsequently challenged in a court of law and the challenging Party prevails, the termination will be deemed to be a termination for convenience effective 30 days from the date of the original written notice of termination for cause was sent to the challenging Party; no further notice will be required.

~~In the event of a termination pursuant to this Section, none of the proceeds of the Designated Sales Tax remaining the Trust Fund as of the date of termination may be used without the consent of the FQEDD and FQMD.~~

6/19/21 Gail Cavett Edit Recommendations to latest CNO CEA draft

5 recommended edits on pages 11, 14, 15, and 16

Edit 1.

Page 11 Item 11. ~~DELETE: "use reasonable best efforts"~~

Reason: This language is inconsistent with 2017 CEA and wishes of the community that the SPP officers not be used as a replacement for on duty NOPD officers. Opens the door to using SPP officers as NOPD replacements.

2017 CEA states on page 8 Section 10. 1.

The off-duty Detail Officers deployed in the Area pursuant to this Agreement shall not be a replacement for the number of on-duty NOPD officers deployed to and/or used in the Area during the Supplemental Police Patrol Program Pursuant to this agreement the Supplemental police patrol offices shall not replace the number of on-duty NOPD officers deployed to and/or used in the area during the supplemental police program.

Edit 2.

Page 11 B. Item 3. ~~Add: and notice FQMD within 24 hours of unfilled shifts~~

Edit 3.

Page 14. Item 14. ~~Delete: "Sergeant"~~ replace with "officer"

Reason: Sergeants may not always be available or the best candidate for the position. This adjustment allows the NOPD 8th District commander a larger available group of candidates to choose from

Edit 4.

Page 15. ii ~~Delete: "03:30AM "~~ replace with 3:00AM and ~~Delete: "3:30PM~~ replace with 3:00 PM

Reason: Officer shifts start on the hour not the half hour

Edit 5.

Page 16 Item 18. ~~Delete the entire item~~

Reason: SPP officers have not worn baseball caps for years

Background

Background

- The City of New Orleans, through the NOPD 8th District, assumed operation of the Blue Light patrols known as the French Quarter Task Force at 12:01am February 28, 2021.
- The daily patrol plan largely follows the same plan as under the prior French Quarter Management District administered patrols.
 - One officer patrolling the entire district from 3am-7pm
 - Two officers patrolling the entire district from 7pm-3am
 - At the request of CM Palmer, a weekend late-night traffic enforcement operation began July 2 and July 3 including two additional officers and DPW supporting personnel on Friday and Saturday nights from 10pm-2am

Vehicles and Equipment

Vehicles

The City has assumed the costs and responsibilities for vehicle fuel and maintenance.

- Vehicle 6 has been taken to Mercedes of New Orleans for service.
 - Repairs have been completed and we are working with Mercedes to add them as a supplier so as to complete payment
 - Total for repairs was \$4050.65. This will be reflected in the expenses once a PO has been issued.
- Vehicle 4 has been taken out of service due multiple component failures
- Vehicle 5 has a faulty fan and is able to operate in the evenings
- Polaris has a blown rear shock and a quote for repairs was delivered 7/11/2021 for \$981.54.
 - The quote is attached to this report for approval to proceed.
- Officers are primarily patrolling in other marked NOPD vehicles with lights on and following the same established zone routes.

Equipment

The City has assumed the costs of running the French Quarter Task Force App and has provided the iPads required for officers to utilize the App.

- The patrols are currently being operated with the 4 iPads purchased with FQEDD funds
- iPads have been synced to specific hotspots and body-worn cameras making deployment simpler for officers.
- An additional hotspot has been assigned to serve as a backup in the event of malfunction
- SDT Productions has invoiced the City for March-May FQTF app costs. We are presently working to route these invoices. Expenses will be reflected in report once a PO has been generated.
 - March - \$975.85
 - April - \$1020.80
 - May -\$1013.86
- Act of Donation from FQMD for remaining FQTF parts and supplies has been re-submitted for routing and is expected to be finalized the week of July 12.
