While conducting routine foot patrol in the 100 block of Royal Street, Deputies observed a subject exit the Walgreens in a very hurried manner. Deputies additionally observed the individual grasping various items, while making an attempt to conceal them on his person. After detaining the suspect for questioning, Deputies discovered that the male subject, identified as Bernard Walters, admittedly took the merchandise from Walgreens without paying for it. Deputies then escorted Walters back to the location of the offense for further follow up. It was then learned that management did not wish to pursue criminal charges. The property was recovered and returned to the business. Deputies advised Walters that he could face criminal charges for trespassing if he returned to the store.

Due to Sheriff Hudson's parade mandate requiring all post certified deputies to work parade route positions during Mardi Gras, The UFQ Detail experienced extreme staffing challenges from 2/10–2/21. As a result of this, February's monthly activity reflects a decline in almost all categories. Fortunately, UFQ administrators have again been able to achieve staffing equivalent to pre-Mardi Gras levels.

In an effort to bolster UFQ patrol presence during weekends, UFQ patrol administrators have been able to identify and source 2 post certified Probation and Parole officers from the West Baton Rouge area. Despite the travel distance, officers have expressed interest in working 8-10 hour shifts. We currently have commitments commencing in April and continuing through May. If successful, we hope to assign more personnel from this office given their willingness to work longer shifts on days that have been difficult to staff in the past (i.e., Fri, Sat & Sun)
