b. Quality of Life

- i. <u>Lighting:</u> With the assistance of VCPORA, an ongoing 5G streetlight assessment has been underway. Part of the assessment was to locate 5G small cell poles to make sure these poles had lanterns installed on them, and to identify which streetlights had been removed. Ms. Frankic explained that one of the challenges with the lighting assessment is knowing who is responsible for streetlight repairs for the 5G poles because these assets are not owned by the city. The 5G poles are owned by Verizon, AT&T, and Toro Blanco. When individuals call 311 to report any issues with streetlights, they are routed to the Department of Public Works (DPW) which cannot repair or replace assets that are not city owned. Another part of the lighting assessment was locating 5G poles that were installed but were not replacements for city streetlights and ascertaining their asset IDs. Verizon has elected to not install their lanterns until all the bases are in stock to save money on labor. All the lighting components are currently in their possession. At this time, about half of the fieldwork has been conducted and is being updated in a spreadsheet. The promise of "no net gain" of poles has been unattainable to date.
- ii. <u>ADA Compliance:</u> Ms. Frankic is also working with the DPW and the ADA Administrator to address obstructions in the sidewalk right-of-way and establish an enforceable mechanism for ADA compliance. The current obstruction of right-of-way law does not contain a measurement for minimum restriction. A presentation is being prepared for the July 26th meeting of the City Council's Public Works Committee to introduce the idea of amending the first city code to add a 48-inch pedestrian access route and a 36-inch minimum clearance. DPW does have the ability to confiscate items within the public right-of-way but storage and return of items is a challenge. The ADA administrators are also working on a brochure to educate businesses on sidewalk use and ADA compliance.
- iii. <u>Code Enforcement:</u> Ms. Frankic met with the Director and Deputy Director of the Office of Business & External Services which oversees Code Enforcement regarding the hiring of the FQEDD funded inspector. There is interest in having this position cross-trained with other departments to be able to have a wider breadth of enforcement. The CAO's office stated that a multi-year commitment to funding would be required for this position. Ms. Frankic will be working with the CAO's office to define a responsibilities list that includes additional training opportunities already in place in other departments such as zoning, STRs, ABOs, illegal use, special events, etc.
- c. Public Safety
 - i. <u>Remove, Lock, Take Signage</u>: The initial allotment of <u>Remove, Lock, Take</u> signs and decals have been installed by both Premium Parking and Park First. Because these signs are one-sided, additional signage was provided to Premium Parking so that they could install two signs per pole. Park First has been notified that there is a supply of extra decals and signage at the FQMD headquarters available for their lots to help increase the overall visibility. Design files have been shared with the Downtown Development District (DDD), the Faubourg Marigny Improvement Association (FMIA), and the French Market Corporation (FMC) so that signage can be modified, printed, and dispersed accordingly for these areas of jurisdiction.

Chuck Ward, Cpt. LeJon Roberts, and Sgt. Marc Boudreau of NOPD, James Baker, Councilmember-At-Large Morrell's office, Mr. Toney, Councilmember King's office, and Ms. Owczarek of Traveler's Aid Society of Greater New Orleans (TASGNO).
 - a. 2023 Program Updates and Key Performance Indices
 - i. <u>Homelessness Assistance Program</u>: The Louisiana State Permanent Supportive Housing (PSH) program is pausing on new referrals due to the rate of referrals outpacing their staffing abilities. City-wide there are now more TASGNO case workers than in the past, which is why the State is struggling to keep up with the number of referrals coming in. Ms. Cooper reported that the 60-day follow-up outreach program TASGNO offers to the individuals who find permanent housing is not a sufficient amount of time for assisting these individuals through the adjustment. Ms. Owczarek is in the process of brainstorming ideas for TASGNO of where the 2024 FQEDD funding could best be utilized for the Low Barrier Shelter.
 - b. Supplemental Police Patrol Program
 - i. <u>SPPP Staffing Incentive Pay:</u> Ms. Cooper reported that the incentive pay has been approved and that this should hopefully improve staffing for the weekend shifts.
 - ii. <u>Non-NOPD POST Certified Staffing:</u> Sgt. Boudreau stated that this option for staffing is not viable at this time due to non-NOPD officers not being able to utilize anything with NOPD markings, including vehicles. This could also lead to enforcement challenges concerning arrests and apprehensions.
 - iii. <u>SPPP App RFP Update:</u> There is a delay with the Request for Proposal (RFP) for the app. Ms. Cooper stated that further refining is required with the proposal's language and that it will be redrafted within the next 30 days.
 - c. Real Time Crime Center Dept. of Public Safety
 - i. <u>License Plate Reader (LPR) Program:</u> 15 out of the 16 LPRs have been installed. Iberville Street remains uninstalled to date.
 - ii. <u>Crime Camera Installation Update:</u> The antennas have been delivered and the installation process is projected to begin soon.
 - iii. <u>Security and Enforcement August Meeting:</u> Ms. Cooper stated that the August SEC meeting will take place at the Real Time Crime Center (RTCC).
- VIII. SECURITY AND ENFORCEMENT COMMITTEE CHAIR REPORT Ms. Cooper Ms. Cooper reported that the Essence Festival saw no major negative events overall. Ms. Cooper stated that the SEC meeting last month covered many of the same subjects as the FQEDD Agreement Monitors meeting, and reported on the following topics:
 - a. Remove, Lock, Take Program Data on car break-ins will be compiled to see the impact of the signage being installed with Premium Parking and Park First.
 - b. Parking Enforcement The city is now performing organized Parking Enforcement sweeps. A sweep took place May 25th-26th with 159 parking citations issued, with no vehicles being towed.

- c. Illegal Vending A successful sweep for illegal vending took place Friday, June 23rd. Citations were written for several illegal vendors with six illegal vendors being shut down on Canal Street and several on Bourbon Street.
- d. 8th District Station Repairs Ms. Cooper reported that the door repairs have been made and that this has improved the station's overall security.
- e. Upper Quarter Patrol The Upper Quarter Patrol (UQP) has initiated the assignment of a marked unit with active overhead lights on the 100 blocks of Bourbon Street and Royal Street 3-4 nights weekly in an effort to coordinate with and assist the NOPD 8th District. Ms. Frankic added that there is a surplus in the budget from when these shifts were not being filled that allows funding to be utilized for this current additional staffing.
- IX. LIVABILITY COMMITTEE CHAIR REPORT Ms. Gasperecz The Livability Committee did not meet in July due to Independence Day. The next scheduled Livability Committee meeting is Monday, August 7th, 2023.

X. GOVERNMENT AFFAIRS COMMITTEE CHAIR REPORT – Mr. Pendleton Ms. Frankic reported on behalf of Mr. Pendleton's absence.

- a. Royal Street Pedestrian Mall- The 90-day trial period for the NOPD to optimize overtime ended on July 7th. Cpt. Roberts stated that the NOPD plans to revisit the pilot program. One of the possible solutions to alleviate the responsibility from NOPD is having Grounds Patrol cover the patrols. The State Museum is also offering to help with the barricade patrols. They are in the process of having the State Administration approve these rangers to work outside of State-owned property. Jurisdiction and authority with the State Museum Police patrolling the pedestrian mall is an obstacle that needs more clarification. A major challenge that arises with non-NOPD officers covering these shifts is that only NOPD officers can write citations for going through the barricade and only Parking Enforcement can write parking tickets. Cpt. Roberts stated that at the next Agreement Monitors meeting, there should be more information on where Grounds Patrol stands.
- b. State Funding- Governor Edwards signed off on House Bill 1 which included a \$1.5 million allocation for FQMD. Further information on what this funding is for and when it needs to be spent is yet to be addressed.

XI. FINANCE AND DEVELOPMENT COMMITTEE CHAIR REPORT – Mr. Zumbo

The Finance and Development Committee met on June 13th, 2023, and discussed the following:

- a. 2024 Budget Season Timeline The Committee set a 2024 budget timeline with due dates to ensure that FQMD complies with all the legal requirements and that deadlines are met on time.
- b. Upper Quarter Patrol Year-to-Date Report In reviewing the FQEDD and UQP year-to-date reports, the Committee discussed approved budgets versus program expectation. Mr. Zumbo asked if the UQP contractor can audit worked shifts to assure that they are not paying detail officers while they are working on duty at the same time. Ms. Frankic will ask Public Safety Services what control processes are in place to ensure that there is no overlapping of shift work.
- XII. NEW BUSINESS: To consider and take action upon any other matters that may properly come before the French Quarter Management District Board of Commissioners.
 - a. Parklets Ms. Holmes referred to a press release last week regarding the parklets in the French Quarter which stated that the new permitting system and design guidelines are available online on the city's website. The new permitting system will go into effect August 1st, 2023. Businesses will now have to pay a fee in order to continue utilizing a parklet. The businesses that do not follow the design guideline qualifications will have 30 days to remove their parklet. Parklets are now banned in the French Quarter.
- XIII. NEXT SCHEDULED MEETING DATE: 11 September 2023 at the Historic New

Orleans Collection.

XIV. ADJOURNMENT: Ms. Cooper motioned **(M3)** to "adjourn the July 10th, 2023, Board of Commissioners meeting...", Mr. Bilby seconded the motion to unanimous approval and the meeting was adjourned at 2:45 pm.

Respectfully submitted, (Signed original available) Susan Klein, Secretary
