- 4. Discussion Discussion by Committee to Review the 2025 Budget Proposals
 - a. Contract Renewal Income in 2024 or 2025 budget

See attached document. Committee Chair Frank Zumbo reviewed the 2025 budget workbook with the Committee. He reminded the Committee that the 2025 budget will be presented at the Board meeting next Tuesday and advertised to the public, but will not be voted on for final approval until the December 9th Board meeting. He stated that the Board will need to see the more detailed 2025 budget spreadsheet, but a simplified version will be created by Michelle Courseault, the FQMD Executive Director, to be publicly advertised. John Foard, the FQMD accountant, stated that the biggest concern is that the OJP Byrne grant funds and the \$1.25M 2024-2025 State appropriation funds have not yet been received, with no clear timeline of when to expect the funds. He added that the 2024 budget will need to be revised, noting that the budget can only be off by 5% with the auditors. Jane Cooper reported that she signed the 2024-2025 State appropriations Cooperative Endeavor Agreement which will now be sent to the State. She added that she believes half of the \$1.25M will be received this

year. The Committee agreed to put half of the 2024-2025 State appropriations funds into the 2024 budget amendment, which will be presented at the December 9th Board meeting, and to put the other half of the appropriation funds into the 2025 budget. The Committee agreed to put the OJP Byrne grant funds into the 2025 budget.

- b. Advertising/Marketing
 - i. Referendum Vote
 - ii. Public Relations

Mr. Zumbo asked the Committee if \$5K per month, totaling at \$60K a year, should be added into the 2025 budget for marketing and public relations. He asked if the Committee remembered what was spent on advertising and public relations when the tax referendum was up for vote previously. Committee Vice-Chair Heidi Raines replied that no funds were spent on advertising for the tax referendum previously, noting that the FQMD cannot influence the vote. Ms. Klein agreed, stating that the FQMD cannot lobby. Alex Fein suggested that the FQMD Commissioners speak with their individual organizations and encourage these separate entities to speak publicly about the vote. Mr. Zumbo agreed, and suggested that Ellie Rand Public Relations (ERPR) develop a document that the outside organizations and stakeholders can spread around that will detail the FQMD's story and programs, while showcasing the positive impact that these programs continue to make for the French Quarter. Ms. Raines added that the FQMD can still fund awareness campaigns. Ms. Cooper recommended putting the \$5K a month into the 2025 budget and the Committee agreed. Mr. Zumbo noted that a mid-year budget adjustment can always be made if necessary.

- c. Legal and Professional Fees
 - i. Renewal of John Wyatt Foard LLC service agreement

See attached document. Mr. Zumbo stated that the cap needs to be changed for 2025. He noted that Mr. Foard's work increased dramatically during the interim after Karley Frankic's resignation, and the FQMD has almost reached the limit in the 2024 service agreement. Ms. Cooper stated that Mr. Foard has done a lot of dedicated work with the budgets and suggested to the Committee an increase in the cap to \$25K. Ms. Courseault asked which budget this would apply to. Mr. Foard replied that his time is between the Operating account, the FQEDD administration account, and the State appropriations budget.

1. Motion – Consider a motion to recommend approval to the Board of Commissioners of renewing the John Wyatt Foard LLC service agreement

Ms. Cooper made a motion to recommend approval to the Board of Commissioners renewal of the John Wyatt Foard LLC service agreement and to increase the cap to \$25,000.00 per calendar year. Mr. Fein seconded the motion, and it was approved.

d. Mardi Gras Bead Recycling Program Expansion

Ms. Cooper stated that with the success of the Mardi Gras bead recycling program this year, more hotels have shown interest in joining the program for 2025. She reminded the Committee that the hotels that signed up for the program this year that fell within the FQMD's footprint were paid for through the 2023-2024 State appropriations budget, while the hotels that were in the Downtown Development District (DDD) which participated were paid for by the DDD. Ms. Cooper stated that she will confirm the exact number of hotels that the FQMD paid for this year, but said that she believes that the FQMD paid for three while the DDD paid for two. She added that she will speak with Glass Half Full about the possibility of expanding the program's timeline and starting it earlier than the 2025 Carnival Season and will report back updates from the discussion. The Committee agreed to add two more hotels within the FQMD's footprint into the 2025 budget, totaling at five hotels to fund through the bead recycling program.

e. SEC John Deere Gators Request

Ms. Cooper reported that she spoke with Security & Enforcement Committee Vice-Chair Jessica Dietz for more information on the request from the Committee for John Deere Gators, noting that this request is for two Gators for the Upper Quarter Patrol, and would be a total of \$60K. She stated that ownership of the Gators, as well as insurance, would be areas of concern. The Committee agreed, pointing out that there are liabilities that come along with this request. Mr. Zumbo added that New Orleans

& Company would be the ones responsible for making this decision and purchase. <u>The Committee agreed to decline this</u> request at this point in time and to completely remove the budget line item from the 2025 budget.

Ms. Cooper noted an edit in the budget workbook, stating that the \$7,200 NOPD parking line item will be removed because the 2025 FQEDD budget already has a \$12K line item for NOPD parking space rentals.

Ms. Courseault stated that she will apply the revisions discussed today to the 2025 budget draft this week to ensure that the budget is prepared in time for presentation at Tuesday's Board meeting. She will review the formulas with Mr. Foard to confirm that the numbers in the spreadsheet are all correct.

5. Motion – Consider a motion to approve the 2025 budgets and move forward with advertising and Board submission.

Ms. Cooper made a motion to approve the 2025 budgets with the agreed upon revisions as discussed by the Committee today, and move forward with advertising and Board submission. Ms. Klein seconded the motion, and it was approved.

6. Presentation – Presentation to Committee of the 2024 Revised Budget Amendment

Mr. Zumbo stated that, as agreed upon by the Committee today, the presentation of the 2024 revised budget amendment will wait until the December 9th Board meeting.

7. Discussion – Discussion by Committee of Public Relations updates

Ms. Cooper reported that she met with Ellie Rand, Ms. Courseault, and Ms. Ursu this morning to discuss and review ERPR's timesheets and recap the accomplishments of the year so far. She reminded the Committee that services were paused during September and October during the interim between Executive Directors, but noted that there are 80 hours remaining in the 2024 contract for November and December. She stated that the group discussed getting press coverage for National Recycling Day on November 15th regarding the Glass Half Full French Quarter recycling drop-off sites' statistics, as well as upcoming holiday events to help spread public awareness of all of the FQMD's programs and the benefits these programs bring to the French Quarter. Ms. Cooper stated that she will assess 2025 marketing and public relations with FQMD staff.

8. New Business– To consider and take action upon any other matters that may properly come before the French Quarter Management District Finance & Development Committee

The Committee discussed the Project NOLA cameras and Mr. Zumbo suggested to have Project NOLA come speak at a future Board meeting. Ms. Courseault noted that the Security and Enforcement Committee discussed potential ideas to encourage private property owners to participate in the program and will report back updates after the next Committee meeting.

Ms. Cooper reported that there were two bids received for the 2024 FQEDD streetlight repairs project, adding that the FQMD, as the owner of the project, will need to sign an agreement with the chosen vendor. She stated that The Tobler Company recommended ASE Services, LLC for the vendor selection, and Sharonda Williams, the FQMD attorney, has been working on the AIA standard agreement draft. Ms. Cooper reviewed the document with the Committee and noted that Ms. Williams has approved all of the edits. She informed the Committee that she met with Pat Tobler this afternoon to discuss more details about the project timeline, and Mr. Tobler stated that he anticipates to have a substantial amount of the repairs done by January 31st, but believes the project will not be completed until February 2025.

Ms. Klein motioned to recommend approval for the presentation of the AIA Service Agreement at the November 12th Board meeting and to authorize the Board Chair to sign and execute the agreement, pending Board ratification. Mr. Fein seconded the motion, and it was approved.

9. Next Meeting Date:

The next scheduled meeting of the Committee is Tuesday, December 3rd, 2024 at 3 PM.

10. Adjournment

Ms. Klein made a motion to adjourn. Ms. Bondio seconded the motion, and the meeting was adjourned at 4:09 PM.
