#### 2. Public Comment:

November 25, 2025

TO: Ms. Michelle Courseault, FQMD Executive Director via [publiccomments@fqmd.org](mailto:publiccomments@fqmd.org)

RE: Gator Purchase Request

I am a French Quarter resident, FQMD Commissioner, and I am not being paid in connection with my comments and requests regarding this request for a Gator purchase for the newly approved CLO positions.

In years past, the NOPD 8<sup>th</sup> District had assigned what was designated Quality of Life (QOL) officers available to respond to residents and businesses when QOL occurrences were negatively affecting them. This included harassing behavior, excessive noise, blocked driveways, et cetera. I found these officers to be very responsive, because they dealt exclusively with QOL and not put into the 8<sup>th</sup> Districts general daily staffing pool.

Since the former QOL officers are now designated by the City and NOPD as Community Liaison Officers (CLO), FQMD recently approved CLO positions to address these concerns. NOPD would prefer these officers to utilize Gator's as their vehicle of choice.

## MANAGEMENT DISTRICT

Therefore, I'm requesting that FQMD budget for 2 more Gators to fulfill this request. The CLO budget line item (\$175,000.00 - \$151,000.00 needed for staffing and supplies) recently approved should come close to paying for one of these vehicles.

Thank you for your consideration of this request.

Sincerely,  
Susan S. Klein

### 3. Motion – Consider a motion to approve the previous meeting notes

**Glade Bilby made a motion to approve the previous meeting notes. Frances Hegenberger seconded the motion, and it was approved.**

### 4. Committee Chair's Comments

Vice-Chair Jessica Dietz welcomed the Committee and guests and thanked them for their attendance. She stated that with the recent mass shooting she would like to extend gratitude on behalf of the Committee to Cpt. LeJon Roberts, Sgt. John Castelin, and Matt Pincus of the Upper Quarter Patrol (UQP) and noted the importance of remaining steadfast in commitments to public safety. Ms. Dietz reported that, thanks to the advanced technology of the License Plate Readers (LPRs) and Project Nola cameras, in less than one hour the vehicle was located and one of the perpetrators was apprehended. She added that the LPRs and Project Nola cameras have been essential and have assisted in reducing the violent crimes in the district by 20% this year, with an 82% solve rate on homicide- one of the lowest in the nation.

Jane Cooper noted that she and Michelle Courseault met with Governor Landry and had a discussion of finding ways to keep Troop NOLA and the Louisiana State Police (LSP) permanently in the City and the French Quarter. She noted that this would cost an estimated \$10M, which Governor Landry is working to find multiple funding sources for. Ms. Cooper stated that a formal proposal from the LSP is currently in progress, adding that the 2024-2025 State appropriation budget could help to fund this proposal.

### 5. Discussion – Discussion by Committee of the 2025 Committee Work Plan

See attached document. Ms. Dietz asked the Committee to fully review the 2024 Committee Work Plan in their packets and submit any comments, suggestions, or revisions for the 2025 Committee Work Plan to her before the next Committee meeting. She added that the document will need to be reviewed in more detail at the December 16<sup>th</sup> meeting, and fully approved by the FQMD Board in January.

### 6. Discussion – Discussion by Committee of a Proposal for Procuring for John Deere Gators for the Supplemental Police Patrol and the Upper Quarter Patrol

Ms. Dietz stated that though this proposal has support, the FQMD Commissioners raised concerns at the previous Board meeting regarding the liabilities involved with the purchasing of more Gators. She added that an Act of Donation to the City may be the easiest way to accomplish this goal for the Supplemental Police Patrol Program (SPPP), which would leave no strings attached to the FQMD, but noted that because the UQP is a private entity, this may further complicate the process. Ms. Cooper agreed and reminded the Committee that the SPPP is funded through the French Quarter Economic Development District budget, but the UQP cannot be funded through this budget. She stated that finding the answers regarding an Act of Donation versus leasing the vehicles will be necessary, pointing out that the Board will want these crucial details. Ms. Dietz stated that some research will need to be done, adding that she will look into the previous process that was utilized when the SPPP vehicles were purchased in the past.

### 7. Discussion – Discussion by Committee of Public Relations for the FQMD To Present: Michelle Courseault

Ms. Courseault reported that she has been working with the FQMD's Public Relations firm, Ellie Rand Public Relations (ERPR), to find ways to elevate public awareness of the FQMD and its' successful public safety and quality of life programs. She noted that she would like to work with the Committee and ERPR to create a boilerplate format of public safety statistics from the SPPP and UQP that can be sent out to residents and stakeholders. She asked the Committee to brainstorm what they would like to communicate to the public and how they would like to communicate this information, noting that ERPR can create the

## MANAGEMENT DISTRICT

format, whether it be online on the FQMD's website or a monthly newsletter, and the Committee can then review and approve this format. Ms. Cooper suggested that the Committee steer clear of making statements about violent crimes in the French Quarter, and to leave this to the NOPD. Sgt. Castelin agreed, but noted that he can share general information with Ms. Courseault that can be released. Ms. Courseault stated that the goal is to highlight the good things that are being accomplished. Joshua Grippo voiced his support of the idea, suggesting a scheduled periodic release. The Committee agreed to add this to the 2025 Committee Work Plan.

### 8. Discussion – Discussion by Committee of Project Nola Security Cameras

Ms. Dietz stated that conversations continue regarding how the Committee can find ways to put funds towards the Project Nola security cameras and spread these cameras throughout the French Quarter. She encouraged the Committee to continue to spread the word to residents and businesses about the benefits these cameras provide to the overall public safety of the district. Ms. Dietz added that she will ask Cpt. Roberts for the list of identified locations that are crime hotspots which would be prioritized for camera installations. She stated that details for this program will need to be fully mapped out in the Committee. Ms. Cooper agreed and stated that a one-pager should be made with the program costs, as well as the options for residents versus the options for businesses. The Committee agreed to endorse this project and continue to move it forward. Ms. Courseault will work with Ms. Dietz on creating a one-pager that will detail the program which will be disseminated to the FQMD's Committees, Commissioners, and stakeholder organizations.

### 9. Discussion – Update Royal Street Barricade Replacements

Ms. Courseault stated that she is working with Bob Bejarano, the FQMD Program Manager, Cpt. Roberts, and Ross Bourgeois of Homeland Security, to find solutions for the deployment plan for the new Royal Street barricades. She noted that while discussions are still ongoing, Cpt. Roberts and his Eighth District team have offered to continue deploying the barricades in the meantime until a solution is reached.

### 10. Discussion – Update on 2024 Streetlight Repairs Project

Ms. Courseault reported that The Tobler Company will be providing monthly reports starting next week with updates on the 2024 Streetlight Repairs Project. She added that there will be two phases of the project, with the first phase beginning from Canal Street to St. Ann Street and the second phase being St. Ann to Esplanade Avenue. Ms. Courseault reported that a team will be out in the French Quarter inspecting every pole, and a second team will be simultaneously performing the repairs.

### 11. Presentation – Presentation of Eighth District Crime Statistics and the Supplemental Police Patrol Program. (Green Sheet)

To Present: Sgt. John Castelin

See attached document. Sgt. Castelin reported that the average response time for the month of October was 1.5 minutes, while the average app call response time was 7 minutes. He noted that reckless driving and unauthorized vehicles were an area of focus for the SPPP in October. Sgt. Castelin stated that 97% of shifts were filled for the month.

#### a. New Patrol Vehicle Wrapping and Light Installation Status

Sgt. Castelin reported that the vehicles are wrapped and just need to be wired. He noted that there was an issue with the previous light installation vendor, and a new company has been selected, with one vehicle currently getting serviced. Sgt. Castelin stated that the vehicles should be ready by the end of the year.

### 12. Presentation – Presentation of Upper Quarter Patrol (Purple Sheet) To Present: Matthew Pincus

See attached report. Mr. Pincus reviewed the monthly report with the Committee. He noted that the UQP continues to forge forward with assisting and supplementing the NOPD's Bourbon Promenade. Mr. Pincus reported that a senior full post Orleans Parish Sheriff's Office Deputy has begun working every Wednesday, Thursday, and Saturday. Sgt. Castelin thanked Mr. Pincus and the UQP, noting that they are a force multiplier that has greatly helped the SPPP.

### 13. Discussion – Updates of Municipal Court Follow-up

# French Quarter

MANAGEMENT DISTRICT

Ms. Dietz noted that she has joined Committee members Maddie Charleston and Mr. G. Bilby to accompany Sgt. Filibert to court to monitor the status of traffic citations and nuisance crime cases in order to ensure that those individuals receive the highest fines. She added that she will continue to monitor the cases and keep the Committee updated.

14. Presentation – Presentation of Updates on City Safety Coordination Efforts by City Chief Administrative Office. To Present: Alex Dunkenberger

a. French Quarter Patrol App Contract Status with SDT Productions

Ms. Courseault noted that the FQMD website has been updated to reflect the email address that residents can utilize if they experience any tech issues with the SDT app.

15. New Business– To consider and take action upon any other matters that may properly come before the French Quarter Management District Security and Enforcement Committee

No new business was discussed.

16. Next Meeting Date:

The next scheduled meeting of the Committee is Monday, December 16<sup>th</sup>, 2024, at 11:00 AM.

17. Adjournment

## **10/1/2024**

On October 1, 2024, at approximately 12:15 PM, Deputy Loy Madrigal of the Orleans Parish Sheriff's Office was flagged down by multiple individuals on the 600 block of Bourbon Street. Complainants reported that a Mr. Gregory Thompson Morrow Jr. parked his vehicle, a blue car with a Florida license plate, in the middle of the street, obstructing the flow of traffic. Witnesses observed him leaving the vehicle and walking towards the 400 block of Bourbon Street. Upon questioning, Mr. Morrow denied operating the vehicle despite multiple witnesses verifying his involvement. He initially hesitated to provide identification but ultimately presented his Florida driver's license and an additional ID belonging to a female. Deputy Madrigal instructed Mr. Morrow to move the vehicle to alleviate the traffic obstruction. While Deputy Madrigal was clearing the traffic, Mr. Morrow fled the scene, leaving the area in his vehicle. Witnesses informed the Deputy that he had made a left turn onto St. Peter Street. A thorough search of the area was conducted, but the subject and the vehicle could not be located. Mr. Morrow's actions constitute violations of RS 32:141 (Obstruction of Traffic) and RS 108.1 (Resisting an Officer by Flight). Given the subject's actions, a request to the Court for an arrest warrant has been submitted to ensure Mr. Morrow is held accountable for these violations.

## **10/6/2024**

On Sunday, October 6<sup>th</sup>, 2024, at approximately 1:22 PM, Deputy Madrigal, while on foot patrol at the 100 block of Royal Street, was flagged down by Chakeva Brown, an employee of the Walgreens store located at 134 Royal Street. Ms. Brown reported that an older male entered the store and caused a disturbance by cursing at her before leaving on foot in an unknown direction. Later that same day, at approximately 4:30 PM, Deputy Brittney Lackings and Deputy Madrigal were flagged down by a passersby in the 700 block of Iberville Street, who reported a black male defecating in public. Upon arriving at the scene, the deputies located the subject, later identified as Kenneth Royal (DOB 11/11/1962). Upon further investigation, Mr. Royal admitted that he had been trying to find a restroom. He had gone to Walgreens at 134 Royal Street earlier but was informed that no bathroom was available, which upset him and led to the disturbance reported by Ms. Brown. After being unable to find a restroom, Mr. Royal proceeded to defecate in public, resulting in the lewd conduct. Based on the information provided and observations made, Mr. Royal was issued a summons for violation of City of New Orleans Municipal Code Section 54.254 (Lewd Conduct) and Section 54.403 (Disturbing the Peace). He is scheduled to appear in court on November 11, 2024, at 9:00 AM at the Municipal Traffic Court located at 1601 Perdido Street.

Mr. Jackson was escorted to the 8th District station for further questioning. Detective Gil interviewed several witnesses from a nearby bar, who stated that although Jackson had been involved in a verbal altercation with the victim, he did not physically strike her. Witnesses confirmed that Jackson had made gestures as if to hit the victim but did not follow through. The witnesses had intervened and called the police. The victim, Ms. Walters, confirmed that Jackson had not physically assaulted her and expressed that she did not wish to pursue charges against him.

The Frontier Outreach Program – French Quarter  
 Travelers Aid Society (TAS) in  
 Partnership with FMC/FQEDD

## October 2024 Monthly Report

In efforts to improve the life quality of individuals in the French Quarter area with active experiences, or notable histories of homelessness, Travelers Aid Society of Greater New Orleans has developed a program that will support connecting individuals to needed services previously inaccessible.

### Progress Report: Efforts and Outcomes

For this program, three (3) case manager will be responsible for providing holistic services to unhoused individuals by offering connections to healthcare, public benefits, identification documents, and documentation support for housing needs.

The role of French Quarter outreach case managers expansion will be to consistently canvass the area on foot, engage with unhoused individuals residing in our designated zone to triage for basic needs and offering “light touch” referrals, service information, and/or case management assistance.

### **Success story**

With the assistance of the city with the LHC voucher slots, we were able to house three individuals this month. We expect to continue housing individuals through pending LHC vouchers, and our revamping of our Rapid Re-housing outreach guidelines developed.

### **Challenges**

This month, we faced the challenge of the state sweeps. This event was traumatic and hurtful for our served individuals and possess challenges and barriers to the our connectivity efforts. We were facing challenges finding the individuals in our Rapid Re-housing list, and this displacement added to those challenges.
