## **5/16/2025**

On Friday, May 16, 2025, at approximately 10:50 AM, Deputy Loy Madrigal, along with Deputy Joseph Lodwick, was positioned at the intersection of Royal Street and Iberville Street when a radio transmission was received from dispatch regarding a sighting of one of the escaped inmates from Orleans Parish Jail. The subject was reported to be fleeing toward the Hotel Monteleone Garage located in the 600 block of Bienville Street. Deputies Madrigal and Lodwick responded to the location, along with officers from the Louisiana State Police. Upon arrival, all units began a coordinated search of the Hotel Monteleone garage. While searching the ground level, Deputy Madrigal observed a male subject hiding underneath a parked pickup truck, drew his service weapon, pointed it at the subject, and gave loud verbal commands directing him to show his hands and remain still. The subject, later identified as Kendell Myles, initially refused to comply and displayed combative behavior. Louisiana State Police officers moved in and physically restrained the subject. Despite actively resisting arrest, they were able to gain control and place him in handcuffs. The subject was then escorted out of the garage. Before being placed into the police unit, a search of the subject's person was conducted. During the search, an improvised weapon commonly referred to as a shank was found in his possession. The weapon was secured and properly logged as evidence. Myles continued to act combatively and was verbally aggressive as he was placed into a marked police unit for transport. After securing the area, Deputies Madrigal and Lodwick initiated a continued search of the vicinity in an effort to locate the second escaped inmate who was reportedly with Myles. Shortly thereafter, dispatch was notified by the transporting officers that Myles remained highly combative during transport and additional assistance would be needed at the lockup. Deputies Madrigal and Lodwick proceeded to the lockup to assist. The subject continued to resist and verbally escalate during this process, but the deputies were able to place him in the cell without further incident.

## **5/22/2025**

On Thursday, May 22, 2025, at approximately 4:30 PM, Deputies Madrigal and Lodwick were conducting routine foot patrol in the 300 block of Royal Street when they observed a black Mercedes-Benz Sprinter van improperly parked, facing the wrong direction in the 600 block of Royal Street. Upon approaching the vehicle for further investigation, Deputy Lodwick observed in plain view via the driver-side window what appeared to be a submachine gun with a suppressor located on the front passenger seat. Nearby, a dark red mask and a leather bandoleer for shotgun shells were also visible. Deputy Madrigal flagged down Sgt. Russel Philibert of the New Orleans Police Department, who was in the immediate area. Sgt. Philibert notified dispatch and began coordinating an on-scene investigation. A witness provided a description of the individual associated with the vehicle (white male wearing a black jacket, gray pants, and a straw hat). Moments later, a male subject matching that description exited the M.S. Rau Gallery located on the same block. Deputy Thomas Maag, who had arrived on scene after hearing the radio call, detained the subject, later identified as Corey Wayne Briscoe. A lawful search of Briscoe's person revealed two antique pistols concealed in the jacket pockets, without holsters. Detective Charles Morgan of the Major Task Force and Homeland Security Investigations (HSI) was contacted and responded to the scene. He in turn notified his HSI supervisory agent. Based on the potential threat posed by the visible weapon and accessories in the vehicle, it was decided that the van would be cleared by an FBI K9 unit and sonar equipment to detect explosives. A search warrant was also requested and obtained. The 600 block of Royal Street was immediately blocked off to ensure public safety. After the vehicle was rendered safe, a lawful search was conducted. Several additional firearms and ammunition were recovered and secured. The firearms and evidence were documented and transported to the property room. Further investigation determined that the vehicle lacked valid insurance and that Briscoe's driver's license was suspended. The van was towed from the scene. FBI agents interviewed Briscoe on scene prior to his transport to Central Lockup.

## **5/31/2025**

On Saturday, May 31, 2025, at approximately 8:10 AM, while on foot patrol in the 300 block of Royal Street, Deputy Madrigal, along with Deputy Lodwick, received a radio call from Deputy Rodney Bailey requesting immediate assistance with a combative subject in the 100 block of Royal Street. Deputies Madrigal and Lodwick responded on foot and arrived at 132 Royal Street (Mr. Ed's Restaurant), where Deputy Bailey was observed struggling with a white male subject inside the main entrance. The subject was physically combative and resisting efforts to be controlled. Several NOPD officers and civilians were already on scene attempting to assist in subduing the individual. Deputy Madrigal assisted by controlling one of the subject's hands and applying handcuffs with the assistance of Deputy Lodwick and NOPD officers. Despite being restrained, the subject remained noncompliant, verbally aggressive, and physically resistant. In an effort to de-escalate and safely remove the subject from the business, Deputy Madrigal lifted the subject into a seated position and, with the assistance of other deputies, escorted him outside of the premises. The subject continued to struggle during the removal but was successfully placed in an NOPD unit and transported to University Medical Center for medical evaluation. The subject was not placed under arrest due to his uncooperative state and possible underlying medical or mental health conditions.

On Friday, May 3rd, 2025, Detectives Conner Berthelot and Tyrone Jones were working an approved off-duty detail for the UQP Expansion Detail in the French Quarter. While patrolling in a marked OPSO unit on Canal Street going river bound, both Berthelot and Jones observed a silver Acura Sedan traveling at an excessive speed without active head lights. Detective Berthelot activated his emergency lights to signal the driver to pull over, at which point, the operator of the vehicle pulled over in the 400 block of Canal Street. At this time, NOPD officer Levi Atkin arrived to provide further assistance on the traffic stop. Detectives Berthelot and Jones then made contact with the driver, who was identified as Trey Lee, during which, Officer Atkin contacted the rear passenger identified as Dominick Raymond. Officer Atkin then conducted a criminal history check of both subjects revealing that Lee and Raymond were both wanted. Detectives Jones and Berthelot, with the assistance of Officer Atkin, then removed Lee and Raymond from the vehicle and placed them both in hand cuffs, while verification of the warrants were in progress. NCIC promptly verified that Raymond was wanted by the St. Bernard Parish Sheriff's Office for violations of Louisiana Revised Statutes 14:35.3 (Domestic Abuse Battery) and 14:56 (Simple Criminal Damage to Property). On May 4th, 2025, at approximately 12:05 PM, Detectives Berthelot and Jones were working an approved off-duty detail for the UQP Expansion Patrol in the French Quarter. Detective Berthelot was travelling down Canal Street driving towards the river when he observed a large group of individuals inhaling the contents of latex balloons outside of Creasers Casino. Upon returning to the exact location at 1:00 AM, Detectives Jones and Berthelot observed the offender, Tyrell Davis, inflating colorful latex balloons from a large black trash bag, which partially concealed one silver metal Nitrous oxide tank. Deputies then confiscated the silver nitrous tank from the subject's possession. Davis was searched incident to arrest and found to be in possession of a large quantity of large and small bills, including a multitude of balloons. Davis was then transported to the Orleans Justice Center and booked under the municipal statute for illegal possession of Nitrous oxide.
