## **11/13/2025**

On Thursday, November 13<sup>th</sup>, 2025, at approximately 9:30 AM, Deputy Loy Madrigal was flagged down by Jessica Dietz at the intersection of Bienville Street and North Peters Street. Ms. Dietz reported that a white male wearing a gray hooded jacket and carrying a black backpack had been loitering on the corner, asking bar patrons to buy him drinks, and approaching female employees to ask whether they worked at the businesses in the block. No further action was taken on this date due to the subject leaving prior to Deputy Madrigal's arrival.

On Friday, November 14<sup>th</sup>, 2025, at approximately 9:15 AM, Deputy Madrigal was on vehicle patrol with Deputy Joseph Lodwick when they observed a white male matching the description standing on the corner of Bienville and North Peters. The deputies approached the subject and advised him of the complaint from the previous day. When asked for identification, the subject stated he did not have any ID on his person. When asked to provide his name and date of birth, he identified himself as Elijah Cornelle, DOB 05/19/1989. Deputy Madrigal contacted the 8th District Station desk officer to verify the information. The return came back with no available record, indicating that the subject had likely provided false identifying information. When asked again to verify his identity, the subject became hesitant and began walking away. Due to the likelihood that he was providing false information and attempting to flee an investigatory detention, Deputy Madrigal informed him that he was being detained. At that time, the subject ran eastbound, initiating a short foot pursuit. Deputy Madrigal apprehended him without further incident in the 100 block of Conti Street. The subject was placed under arrest, advised of his Miranda Rights, and transported to Central Lockup for booking and positive identification. NCIC confirmed that there were several AKAs listed for the subject, including variations of Elijah Reed and Elijah Stewart, as well as an active warrant originating from the Harris County Sheriff's Office in Houston, Texas. Deputy Madrigal contacted Harris County Sheriff's Office at the number listed in the NCIC return and the agency confirmed the warrant and extradition request. The subject was rebooked as a Fugitive from Justice under: NIC #: W102317784.

## **11/20/2025**

On Thursday, November 20<sup>th</sup>, 2025, at approximately 11:00 AM, Deputies Madrigal and Lodwick were on vehicle patrol in the French Quarter when they observed several canvassers associated with New Canvassing Experience, Inc. actively engaging pedestrians on the corner of Royal Street and Conti Street. This location falls within the Vieux Carré, where canvassing and solicitation activity is prohibited under Municipal Ordinance 110-222(B)(1) unless specifically authorized by the City of New Orleans. Deputies made contact with the on-scene supervisor, identified as Chaz Michael Tranchina. Mr. Tranchina stated he was already aware of the ongoing permitting issue regarding canvassing within the City of New Orleans, referencing past interactions between his organization and OPSO. Deputies did not request permit documentation during this encounter, as the matter had already been extensively addressed in previous incidents. During conversation, Mr. Tranchina stated that all money collected by his canvassers goes directly to the charitable organizations they represent, and that none of the collected funds are kept by New Canvassing Experience, Inc. He stated that for today's operation they were representing the ACLU.

### Previous Documented Interactions-

October 17<sup>th</sup>, 2025 – 541 Royal Street: Canvassers were asked to provide a City of New Orleans solicitation permit. They produced a Louisiana Attorney General confirmation letter, which was verified not to be a City-issued solicitation permit. Summonses were issued.

October 20<sup>th</sup>, 2025 – Dauphine & Conti Street: Additional canvassers presented the same AG confirmation letter and were advised again that it does not authorize canvassing within the city. Despite these prior advisements, the organization continued canvassing operations within the Vieux Carré.

### California Attorney General Findings-

Research conducted on New Canvassing Experience, Inc. revealed the following:

- The California Department of Justice – Office of the Attorney General reported that New Canvassing Experience, Inc. forwarded only 0.24% of all funds raised to the intended charitable beneficiaries.
- This finding is published in the 2023 Professional Fundraiser Summary Report.
- Source: <https://oag.ca.gov/system/files/media/ag-pf-summary-2023.pdf>

This information raises concerns about the transparency of the organization's national fundraising practices, particularly when considered alongside the statements made by Mr. Tranchina regarding fund distribution. Mr. Tranchina acknowledged the violation and agreed to be issued a municipal summons, stating that appearing in court would also allow their organization to clarify their canvassing status and operational requirements within the City of New Orleans. A municipal summons was issued to Mr. Tranchina, with the charge: Municipal Ordinance 110-222(B)(1) – Unauthorized Canvassing in the Vieux Carré.

## **11/29/2025**

On Saturday, November 29<sup>th</sup>, 2025, at approximately 2:47 PM, Deputies Madrigal and Thomas Maag were on vehicle patrol in the area of Frenchmen Street. While passing Washington Park, located in the 700 block of Elysian Fields Avenue, the deputies observed a male subject who matched the clothing and physical description listed in multiple NOPD wanted bulletins for auto burglaries under item numbers J-30129-25, I-24594-25, and I-22180-25. The subject was wearing a black T-shirt, dark jacket, blue jeans, white shoes, dark sunglasses, and a black hat. Based on the match to the bulletin descriptions, the deputies entered the park and approached the individual. Deputy Madrigal asked the subject if he was Shawn Deans, and he verbally confirmed his identity. Deans was detained without incident. Deputy Madrigal advised him of his Miranda rights, and notified dispatch that the wanted subject was in custody. During transport from the scene, Deans stated that he had swallowed approximately one gram of fentanyl. Due to the medical concern, EMS was notified and the subject was transported to Tulane Medical Center for evaluation. Deans was examined by medical staff and later medically cleared for incarceration. Following medical clearance, the deputies transported Deans to Central Lockup for booking and detention on the active warrants associated with the above-listed NOPD item numbers. Deans was turned over to Central Lockup personnel without further incident.

## **11/30/2025**

On Sunday, November 30<sup>th</sup>, 2025, at approximately 12:00 PM, Deputy Madrigal was on vehicle patrol in the 700 block of Royal Street when he observed a white male sitting in front of the doorway of a business with his dog. The male was later identified as Ian Hall. Hall was positioned directly in front of the business entrance, obstructing customers from entering or exiting. Deputy Madrigal approached Hall and instructed him to move away from the doorway. As the deputy was walking back towards his patrol unit, he heard a small dog suddenly screaming in pain. Deputy Madrigal returned and learned that a small black dog belonging to a tourist, Elizabeth McLure, had been attacked by Hall's dog. The smaller dog sustained visible injuries and the owner stated she needed to take it for emergency veterinary treatment. Deputy Madrigal notified dispatch of the incident and requested SPCA to respond. While waiting for SPCA, Deputy Madrigal advised Hall that he was not free to leave pending the investigation. A warrant check revealed that Hall had two active municipal warrants, both for 54-401 Obstruction of a Public Place, associated with Case #1157081 (Div. E) and Case #1157199 (Div. F), with warrant confirmations verified by Officer A. Breaux as reflected in municipal court records. As the deputy repositioned his patrol unit to clear traffic in the area, he observed Hall walking away from the scene toward Bourbon Street in an attempt to flee. Deputy Madrigal caught up with Hall a short distance away, detained him, and advised him of his Miranda Rights. SPCA arrived on scene and advised Hall that his dog would be impounded due to the attack. Hall was issued a summons by SPCA related to the animal incident. Deputy Madrigal transported Hall to Central Lockup for booking on his outstanding municipal warrants under Item Number K-28933-25 with an arrest credit of 94. During the search of Hall's belongings at the jail, the deputy recovered approximately 3 grams of suspected marijuana contained in a clear plastic bag. The narcotics were seized as evidence in accordance with department policy, and Hall was rebooked for Possession of Marijuana (MC 54-405).

## **12/3/2025**

On Wednesday, December 3<sup>rd</sup>, 2025, at approximately 9:00 AM, Deputies Madrigal and Lodwick were conducting vehicle patrol in the area of Decatur Street and Esplanade Avenue. While passing the front of Checkpoint Charlie, the deputies observed a male subject wearing a blue jacket who appeared to be struggling to stand and stumbling on the sidewalk. The deputies exited their unit to check on the subject. Upon contact, the subject later self-identified as Travis Montminy. Montminy exhibited clear signs consistent with a possible drug overdose, including instability, decreased responsiveness, and difficulty remaining conscious. The deputies immediately notified dispatch of the situation and requested Emergency Medical Services. Dispatch advised that no EMS units were currently available.

Deputies maintained physical support of the subject, who continued to have difficulty staying upright. At approximately 9:14 AM, Deputy Madrigal administered one (1) can of Narcan. A second (1) can of Narcan was administered at approximately 9:17 AM due to continued signs of overdose. Deputy Madrigal provided constant physical and verbal stimulation, including rubbing the subject's chest to keep him responsive while awaiting medical assistance. Shortly thereafter, the subject began to regain consciousness. An NOPD officer who arrived on scene provided supplemental oxygen to the subject. Members of the NOPD Fire Department then arrived and assisted with further medical support until EMS arrived on scene. EMS subsequently transported the subject to University Medical Center for further evaluation and treatment.

**Municipal Arrests- 2**

**Summons- 5**

**State Arrests- 5**

**Fugitive Arrests- 3**

**Traffic Violations- 13**

**Parking Violations- 0**

**Vehicles Towed- 0**

## **11/22/2025**

On Saturday, November 22<sup>nd</sup>, 2025, while working an approved off-duty paid detail for the OPSO and patrolling the French Quarter, Detectives Neil Madrigal and Conner Berthelot responded to a call for service at 225 Decatur Street regarding a Signal 63 (Criminal Trespassing). Upon arrival at the location, Detectives Madrigal and Berthelot were advised by management staff of the House of Blues that a female was intoxicated and refusing to leave the premises. The detectives proceeded to the third floor of the establishment and made contact with the female at the bar. Other patrons were observed attempting to get her to leave the location. The female then walked toward the elevator; however, she attempted to return to the room from which she had previously been asked to leave. Both detectives attempted to prevent her from re-entering the area. The female actively resisted the detectives and proceeded to kick Detective Berthelot in the groin area. Detectives Berthelot and Madrigal then placed the female in handcuffs, during which time she continued to resist. The female was subsequently placed into a marked OPSO patrol unit for transport to 334 Royal Street (8th District Station). Upon arrival at the station, the female was read her Miranda Rights per the Miranda card. The subject continually talked over Detective Berthelot as he attempted to issue the Miranda warning. Upon completion of the warning, the female repeatedly asked for her attorney and stated that she did not understand her Miranda Rights. The detectives attempted to have the female properly identify herself; however, she refused to provide identification. She was informed that she could face charges for LA R.S. 108(B)(C), relative to refusal by an arrestee to provide his/her name. The female was subsequently transported to the Orleans Justice Center without further incident by OPSO transport deputies.

## **11/23/2025**

On Sunday, November 23<sup>rd</sup>, 2025, Detective Berthelot observed a yellow Chevrolet Corvette traveling eastbound on Canal Street at a high rate of speed. Detective Berthelot attempted to initiate a traffic stop; however, the Corvette made a U-turn onto North Peters Street and continued westbound on Canal Street, still at a high rate of speed. Detective Berthelot then observed the Corvette collide with the rear of a Downtown Development District white pickup truck towing a black trailer. The impact caused the pickup truck to collide with the rear of a black sedan and a gray Chevrolet Tahoe. Detective Berthelot immediately responded to the scene of the collision and removed the driver of the Corvette, identified as Devante Levy. Mr. Levy was apprehended and charged with Louisiana Revised Statute 14:99, relative to reckless operation of a motor vehicle. He was transported to Touro Main Medical Center as a precaution due to his involvement in the collision. Following medical evaluation, Mr. Levy was transported to the Orleans Parish Justice Center without incident and booked on the aforementioned charge under New Orleans Police Department item number K-21960-25. He also received the following citations: 32:52 – No driver's license, 32:64(A) – Speeding (visual estimation), and 32:232 – Failure to obey traffic control signals.
